Newsflash

Volume 16 No 1

Meeting Date: 2nd February, 2016.

Presidents Report:

15 Rotarians and Guests attended. We were moved from our regular spot due to growth in Pure Bar's business so the meeting was noisy, but productive.

We have been assured that in future we will have the rear section. It was however, decided to look for an alternative site.

Our Egg and Bacon Stall continues to go well, although Rotaract needs email reminders when they are on !

The Rotary Bush Fire Appeal. It was felt that our notification was too late to organise a club outing as many of us already had arrangements. Members wishing to attend are to book individually. However, the Club agreed unanimously to donate \$1,000 to the Rotary Bushfire Appeal.

Hosting for Eva. Unfortunately Eva cannot be hosted by the next host family as arranged due to a cat allergy. Secretary Geoff and Deb have kindly offered to host for March/April however they will then be overseas – we will continue to look for hosts for May/June.

Assistant DG Yvonne reminded us of District Conference and Matilda Bay's latest project in Bangkok.

Our meeting was closed early due to excessive noise making it difficult and members continued to socialise.

**Membership is Open.
